News Release

Sword Intech showcases v2 of its market leading Open Co+ policy administration system at Acord Loma

Sword Intech, the leading provider of business software and services for the global insurance industry, will be showcasing the latest release of its policy administration software OpenCo+ v2 at Acord Loma.

OpenCo+ is a comprehensive policy administration software suite for today's global markets, capable of supporting the complete lifecycle of insurance business processes. This new release brings unparalleled flexibility, scalability and functionality to insurers and reinsurers can increase competitive agility by accelerating speed to market for new lines of business. You may be interested in finding out about:

- **Reduced time to market:** Our pre-configured out-of-the-box software is quickly deployed, agile and scalable enabling rapid configuration changes.
- **Feature-rich:** The highly-functional feature-rich software supports a range of classes and specialist lines including commercial, retail, marine, Lloyds and the London market.
- **Future proof:** Built with the agility to respond to the evolving needs of your operation supporting both the extension of business lines and international expansion.
- **Integrated:** Comprehensive insurance administration functionality linking with, or replacing, existing legacy solutions.
- **Modular:** Based on modular components our easily configurable software ensures that our clients only need to implement the functionality that is required to support their business.
- **Global capability:** The ability to manage multiple sites, legal entities, currencies and tax scenarios to truly support today's market requirements is integral to our software.
- **Comprehensive:** Supporting all of your business processes from the set-up of policy information to underwriting, reinsurance, claims processing and accounting.
- **Business process management:** Real-time information management, financial control and audit capability fully support back-office requirements and minimize risks.

Our team of industry and technical experts will be on hand at Booth 303 providing live demonstrations of our OpenCo+ software and answering any questions you may have. If you are interested in learning more before the show or would like to reserve a demonstration slot, please call David Warren on 212 2796734.
